### Recycling & Waste Reduction Pledge

Submitted by cbadeau on March 18, 2013 - 17:13

Please read the list below and choose how you will reduce waste and recycle if facilities are available (at your work place, school or residence).

My actions matter. I pledge to recycle/compost whenever possible

- bottles and cans
- plastic containers with a recycling symbol
- paper and cardboard
- electronics
- food waste

To reduce waste, I pledge to

- bring my own coffee mug and reusable water bottle.
- bring my own shopping bag.
- bring my own plate, bowl and cutlery to avoid using disposables

I pledge to  lead by example (in my residence/my classroom/my work place) by recycling and reducing waste.
