

Contact Us

MASCO transportation staff members are committed to bringing you the best service possible. We work closely with key people from our member institutions to constantly monitor, evaluate, and improve existing services, as well as develop, test, and implement new solutions. As part of this process, we need to hear from you, our customers, about how we are doing, what you like, and how you think we can improve our services. So, please, feel free to get in touch with us.

The best way to have your questions or concerns addressed is through our Shuttle Feedback Form.
