### **Please review ERH Terms & Conditions below prior to registering**

With our Emergency Ride Home (ERH) program, you can leave your car at home and still have peace of mind knowing that if you have an unexpected personal emergency during the work day, CommuteWorks will pay to get you home.

As an employee of a MASCO member, if you walk, bike, carpool, vanpool or take public transportation to work, you are eligible to register for ERH and receive a free Lyft ride to take you home in the event of an unexpected personal emergency. Once registered, you can use this service up to five times per year. Please note that students do not qualify for the ERH program.
