

Satellite Parking Facilities

MASCO and our vendor partner, VPNE Parking Solutions, manage several employee parking facilities in and near the LMA. Parking is by permit only, no public parking is available at these facilities. Registered parkers with a rental, replacement, or new vehicle without a permit should contact MASCO at 617-632-2881. We'll take your name, a description of your vehicle including make, model, and license plate number. Vehicles without a valid permit for which we have not received notification are subject to tow at owner's expense.

Monthly employee parking at offsite facilities is offered through the employee parking offices of Beth Israel Deaconess Medical Center, Brigham and Women's Hospital, Boston Children's Hospital, Dana-Farber Cancer Institute, and Joslin Diabetes Center. Employees of these institutions should check with their parking office for information on monthly parking availability.
