### Let's hear it for Temple Israel!

Submitted by cfennelly on January 9, 2019 - 12:22

Temple Israel just became the first synagogue in New England to receive the GreenFaith Energy Shield Certification. The Energy Shield is a 1-month program designed for synagogues to take action to reduce their carbon footprint and help their congregants do the same at home. The GreenFaith EnergyShield reflects the values of stewardship that reach back to Genesis and remind us of the importance of partnering with God in the ongoing work of Creation.

Learn more about the program here: <https://rac.org/greenfaith-energy-shield-program-information>
