

## Longwood OUTSIDE

# outside //

Welcome to **Outside!**

**Outside** is an area-wide member placemaking program that creates and enhances areas where employees, patients, visitors, researchers and students can benefit from free and accessible programming. Catch up on the news or a favorite book at an outdoor Reading Room; listen to live music while waiting between medical appointments; grab a quick game of ping pong with co-workers over a lunch break; enjoy a free yoga class; or relax with a visiting animal. Everyone deserves to take a break, socialize, and play **Outside**.
