

## Parking

[Click here to view our most recent Customer Service Survey responses](#)

Parking in the Longwood Medical and Academic area can be daunting. MASCO's parking department works to make parking simpler for LMA employees, students, patients and visitors. We offer parking for patients, visitors and employees at 375 Longwood Avenue, and together with our vendor VPNE Parking Solutions, we manage several offsite parking facilities for LMA employees. For more information about parking options in the LMA, [contact us](#), or call our customer service hotline at (617) 632-2800.

To employees of the LMA-keep in mind that we offer many alternate commuting solutions for getting into the LMA. Please check out [CommuteWorks](#) for more information.
