## Carpool Registration Form

Submitted by cbadeau on May 5, 2011 - 14:18

**Step 1:** Register your commute with Bay State Commute online at [www.baystatecommute.com/commuteworks](http://www.baystatecommute.com/commuteworks). This will help us track the green house gas emissions you've saved!

**Step 2:** Fill out the registration form below.

Once you are registered for the Carpool Incentive Program, we will send you detailed information on

the program via email. Please note: All Carpools enrolled in our incentive program must operate at

least twice per week. Also, only one person in the carpool can have a valid parking pass at a MASCO

institution.

### Please Complete All Fields

General Carpool Information Origin of Carpool \*

LMA location where the carpool parks \*

Number of days/week carpooling \*

### **CommuteWorks' Carpool Incentive Program/Release of Liability**

The CommuteWorks' Carpool Incentive Program has been implemented by the Medical Academic Scientific Community Organization, Inc. ("MASCO") in order to encourage Longwood employees to carpool.

As a participant in the program, you agree to provide any information requested by MASCO regarding the carpool accurately and completely. This information will include identification and contact information for all participants in the carpool, including their place of employment, as well as information concerning the frequency of the carpool. All participants in the carpool must be employed by MASCO members and provide proof of employment, as requested. Failure to provide requested information in an accurate and timely manner will result in your termination from the program, as well as notification of non-compliance to your employer.

Your e-mail address will not be made public or used for commercial purposes; however you may be contacted directly by CommuteWorks or MASCO Area Planning about commuting and transportation-related information or to request feedback regarding commuting and transportation services.

Should it be determined that you have failed to provide accurate and timely information to MASCO, or that you have failed to meet the requirements of the program, you expressly agree to refund MASCO for all costs incurred. These costs include, but are not limited to, any incentive benefits paid to you, plus the costs of collection, if any. As always, you should consult your tax advisor concerning the tax consequences of any incentive.

As a participant in the program, you agree to release and hold harmless Medical Academic Scientific Community Organization, Inc., its subsidiaries, members, directors, officers, representatives, agents and employees from all claims, losses, liabilities, damages, injuries (including the reasonable cost of

defense) arising out of, or in connection with, this Agreement and participation in the Carpool Incentive Program.

**Thank you for registering with Commuteworks' Carpool Incentive Program. By submitting this form, you state you have read and agree to the terms and conditions stated above.**
